

# AUSTRALIAN WINE DINNER

In partnership with Hock Tong Bee, one of the largest independent wine and spirit purveyors in Singapore, The Nest hosted 40 Members to an exquisite Australian Wine Dinner. Highlights of the menu include pumpkin bisque, oven baked cod fillet, braised Australian beef short ribs, and pan-seared foie gras with caramelised plum, each paired with a specially selected glass of Australian wine.

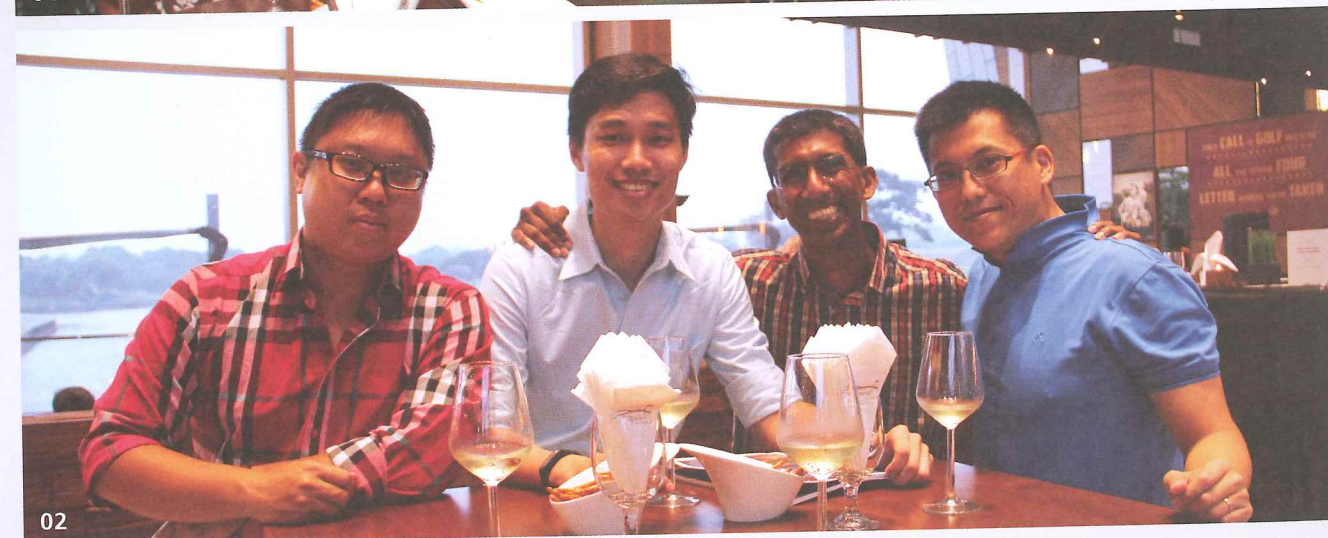

Clinton Ang, Managing Director of Hock Tong Bee was the speaker of the night, who is also the first Singaporean to blend his own label of wine – Provignage that is now known as Corner Stone. Hock Tong Bee currently imports wines mainly from Europe, Australia and New Zealand, which can also be purchased at The Nest.

We hope that all participants have enjoyed the menu and programme, and look forward to seeing you at the next wine dinner.
