President and Lactel belong to Lactalis group a leading global dairy company based in Laval, in a dairy region of France. Thanks to an exceptional industrial cheese, butter and milk expertise, Président and Lactel are able to provide dairy products with high and constant quality for a guaranteed pleasure experience.

Since its inception in 2005, Cookal develops new culinary concepts to facilitate work in the kitchen and to cook on the front of the stage in the service room.

Cookal became known thanks to its innovative method of cooking and flavoring, using a flavoured distillate, which allows you to cook food without smoke or odor while providing spectacular performances.
